GENERAL PROXY MATTERS

Solicitation of Proxies

This solicitation is made by management of Aston Hill. All Aston Hill shares represented at the meeting by properly executed proxies will be voted or withheld from voting on any poll at the meeting, as applicable, and where a choice with respect to any matter to be acted upon has been specified in the Instrument of Proxy, the Aston Hill Shares represented by the proxy will be voted in accordance with such specifications. **In the absence of any such specifications, the management designees, if named as proxy, will vote in favour of all the matters set out herein.**

The enclosed Instrument of Proxy confers discretionary authority upon the management designees, or other persons named in the Instrument of Proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. At the date of this Information Circular, the Corporation is not aware of any amendments to, or variations of, or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management designees.

Proxies, to be valid, must be deposited at the office of the Transfer Agent of the Corporation, Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, not later than the close of business at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof.

Appointment of Proxy

A Shareholder has the right to designate a person or company (who need not be a shareholder of the Corporation) to represent the Shareholder at the Meeting other than Eric Tremblay (Chief Executive Officer) or Larry W. Titley (Vice-President and Chief Financial Officer). Such right may be exercised by inserting in the blank space provided, the name of the person to be designated and deleting or crossing out therefrom the names of the management designees or by completing another proper instrument of proxy and, in either case, depositing the Instrument of Proxy with the Registrar and Transfer Agent of the Corporation, Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, not later than the close of business at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A proxy may be revoked by either executing a proxy bearing a later date or by executing an instrument in writing stating the shareholders intention to revoke, either of the foregoing to be executed by the Shareholder or by his authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, and by depositing the proxy bearing a later date with the Transfer Agent, at any time up to and including the last business day preceding the date of the Meeting or any adjournment thereof at which the proxy is to be used or by depositing the revocation of proxy with the chairman of such Meeting on the day of the Meeting, or any adjournment thereof, or in any other matter permitted by law. In addition, a proxy may be revoked by the Shareholder personally attending at the Meeting and voting his Aston Hill Shares.

Advice to Non-Registered Shareholders

The information set forth in this section is of significant importance to Shareholders, as a substantial number of Shareholders do not hold Aston Hill Shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Aston Hill Shares can be recognized and acted upon at the Meeting. If Aston Hill Shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those Aston Hill Shares will not be registered in the shareholder’s name on the records of the Corporation. Such Aston Hill Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities

Limited, which acts as depository for many Canadian brokerage firms). Aston Hill Shares held by brokers or their agents or nominees can only be voted upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of the Meeting. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to ADP Investor Communications ("ADP"). ADP typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to ADP. ADP then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a meeting. **A Beneficial Shareholder receiving a proxy with an ADP sticker on it cannot use that proxy to vote Aston Hill Shares directly at the Meeting. The proxy must be returned to ADP well in advance of the Meeting in order to have the Aston Hill Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Aston Hill Shares registered in the name of his or her broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Confidentiality of Voting

Proxies will be counted and tabulated by the Transfer Agent in such a manner as to preserve the confidentiality of your voting instructions, except:

- (a) where you make a written comment on the proxy form or otherwise clearly indicate that you wish to communicate your position to management;
- (b) as necessary to meet the requirements of applicable law or regulatory authorities; or
- (c) in the event of a proxy contest.

QUORUM

The By-Laws provide that holders present, not being less than two in number and holding or representing not less than twenty-five (25%) percent of the issued Aston Hill Shares entitled to vote at the Meeting, shall constitute a quorum for the Meeting in respect of Shareholders.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Class A Common Shares of Aston Hill, of which 51,262,792 are issued and outstanding as at the date hereof.

Shareholders on record on the Record Date are entitled to vote their Aston Hill Shares at the Meeting on the basis of one vote for each Aston Hill Share held except to the extent that, (i) the holder transfers his or her Aston Hill Shares after the close of business on the Record Date, and (ii) such transferee produces properly endorsed share certificates to the Secretary or transfer agent of the Corporation or otherwise establishes his or her ownership of the Aston Hill Shares, at least ten days prior to the Meeting, in which case the transferee may vote those shares.

To the knowledge of the Corporation's directors or executive officers, the following table sets out any person or Corporation beneficially owning, or controlling, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation.

<u>Name</u>	<u>Number of Aston Hill Shares Beneficially Owned</u>	<u>Percent of Aston Hill Shares Currently Outstanding</u>
Overlord Acquisitions Inc. ⁽¹⁾	20,000,000	39.1%
Benedict Cheng	5,486,000	10.7%

Notes:

(1) Overlord Acquisitions Inc. is a company controlled by the Estate of Marcel Tremblay, the former Chairman, President and CEO, Aston Hill Financial Inc. (formerly Overlord Financial Inc.)
